Rockin' Rollin'

All I need is Jesus,
been so good to me
Hold my hand in the
Promised Land and
keep me company

Glorify King Jesus,
Might and Majesty
Rolled the stone by
His power alone,
so all the world could see

Magnify Lord Jesus,
Once and future King
The ground He shakes
and the Earth He quakes,
and all the Angels sing

I love the Lord Jesus
Came to save my soul
My feet are on the Rock
And my name is on the roll

If You'd Only (Let Me Love You)

You do as you please
and your world it falls to pieces
It brings you to your knees
but your Voodoo never ceases
Who do you believe
when everyone's a liar?
To raise a little steam
you'd set the world on fire

CHORUS

If you'd only let me love you
And take your tears away
Forever I would love you
Forever and a day

You do what you please
and they all come a-knocking
Word out on the street
that your cradles really rockin'
Your world is not complete
till everybody's crawlin'
Dancing in the street
while the sky above is fallin'

We May Never

(At a) revival goin
 down in Mississippi
 A boy went down to
 save his soul from Hell
 Preacher took him
 down into that river
 Raised him up and let
 him breathe a spell
 Preacher said now boy
 I see a callin
 One the likes that
 I aint never seen
 The Holy Spirit's come
 and He is falling
 Strike the drum and
 shake the tambourine

CHORUS

(He said now) we may
 never walk on water
 Never turn that water to wine
 But we will fight for
 Your sons and daughters
 And all the world has left behind

BRIDGE

Oh to feel my heart, it's like a rolling stone
 God of Heaven come and make my
 heart Your own
 Take my burden Lord and fill me with Your love
 I'm forever Yours I'll never get enough

Sent to Peter

Centipeder...
 1000 legs
 (If) you go walkin'...
 (It'll) take all day
 Feet are tappin'...
 Outta tune
 Mama's cookin'...
 Be there soon

Riff

V2.
 Sent to Peter,
 Little note,
 When you go walking ,
 Without a boat
 And you start trippin',
 Over waves
 Don't you worry ,
 Cause Jesus saves

Feel Alright
 in the morning light

Mississippi Crawl

You are the one who
can save my soul,
and give me what I need
You are the one
who can make me whole,
and bring me to my knees
You are the one
who can take my sin,
when all hope is gone
You calm the sea
and the raging wind,
and help me carry on...

You are the one who
can ease my mind,
when I've gone astray
You are the one
that I need to find,
when I've lost my way
You are the one
who can take my sin...
a debt I can't repay
I'm on a sea in a raging wind
until I hear you say...
Walk this way

And all I can do dear is tell
you I love you,
promise to do you no wrong
And all I can do dear is tell
you I love you,
pour out my heart in a psalm
And all I can do dear is send
you a blessing,
pour out my heart in a psalm

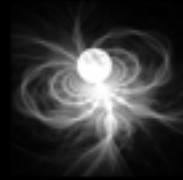

Dead Man Walking

The Wind is howling
'cross the mountains
Thunder heeds its heavy call
Echoes ring like silver
fountains
Canyons shake
and lightnings fall
The Lord of Angels
from on High
Rescuing the wayward soul
From His hammer,
loved one fly
Avenging what the
thief has stol'n

CHORUS

Mark the days until
my Savior comes
Count the seasons
'till we leave
Break the chains that
held my praises down
'Till we sing the song
of the redeemed

The Sun and Moon
and all the stars
And everything that makes a sound
long to see the battle scars
On the hand that
cast the serpent down

On the Streets of Gold

You are my love; you are my life,
the savior of my soul
You took this broken heart
and made it whole.
You walk with me and talk with me,
you light the darkened way
You came and paid a debt I couldn't pay.

Bridge

Now my eyes are able to behold
Your Holy light that falls
on streets of gold

Chorus

Na- na- na- na
On the streets of gold

You conquered death to give me life,
you walk upon the sea
You gave your precious
blood to set me free
You are the truth you are the way,
you make my soul to sing
You are my all in all in everything.
Creator of the universe,
you hold me in your hand
When I'm on my knees you help me stand

Heaven Waits For You

Child of God,
though the nations rage
And the darkness grows
Don't give in...
to the evil ways
Let your courage show

BRIDGE

Love is the only
law we'll ever know
Light is the only
seed we'll ever sow

CHORUS:

Heaven waits for you
On a long and winding road
(Like) In the middle
of a summers dream
In a place within my soul

Yeah my soul's reward...
Yeah my soul's restored

La la la la la la la la la

When it Rains (For Margaret)

When this ol world had taken everything I have to give
And every day is like the one before
You are every woman, everything I need to live
Even when my foot's outside the door
Every little thing you do means everything to me
The Sun and Moon are jealous of your grace
Of all the beauty that I've seen in this old world of ours
(There's) None like morning Sunlight in your face

CHORUS

Every time the world gets crazy
(And I'm) down on my knees and sinkin low
I run into you till the night is through
My Love
Every time my tears are raining
The flood has left me on the shore
I run into you till the morning's new
My Love

I take your hand in mine as we go
walking through the years
Every moment gliding through the air
Of all the glory that I've seen in this old world of ours
(There's) nothing like the Sunset in your hair
For the freedom of the Light, For the freedom of the way
For the freedom of my heart,
Where my love grows everyday

About Your Love

As I sit here...dreamin'
about your love...
As I sit here...dying'
without your love...
You've been so good to me
Your love
has made me believe

Chorus

And I...Yes I know
that we all need your love

As I sit here...screamin'
from the mountaintops...
As I sit here...crying'
and I'll never stop...

Tears for the Blind

You made the Sun
to give me light
You made the Moon
and gave me stars at night
You let yourself be crucified
They said they did not
know if you survived
They said they could
not tell if you survived
They said they did not
want to know if you survived

The Price is paid child,
the seed is sown
The war is not against
this flesh and bone
Every word that you shall hear
Approach the lord with Holy,
Reverent fear
And then you will not
tremble any more
